

CEAP-FAPE Conference on K to 12 Transition

**21-22 February 2013
Ateneo de Davao University, Davao City**

Background/Rationale

- The phased implementation of the K to 12 Education Reform program started this school year
- New curricula for Grades 1 and 7
- Addition of universal kindergarten by virtue of RA 10157

Background/Rationale

- Additional two years in High School starting in SY 2016-2017.
- The K to12 program enhances the present curriculum
- Students graduate in basic education ready for employment and/or higher education

Objectives

Assist private school administrators/teachers by focusing on three (3) critical concerns during the transition:

1. the labor and legal implications of the transition
2. senior high school curriculum for the various career pathways
3. public-private partnership in education particularly for SHS

Program Design

- **Part I** - Status Report on the K to 12 Program Implementation for SY 2013-13
- **Part II** - Public-Private Partnerships (PPP) in Education
 - The Senior High School Curriculum Development through Curriculum Vertical Articulation Approach
- **Part III** - Models of Senior High School for the various career pathways
- **Part IV** - Labor Implications of K to 12 and other Legal Issues
