

K TO 12 AND SEMINARY EDUCATION

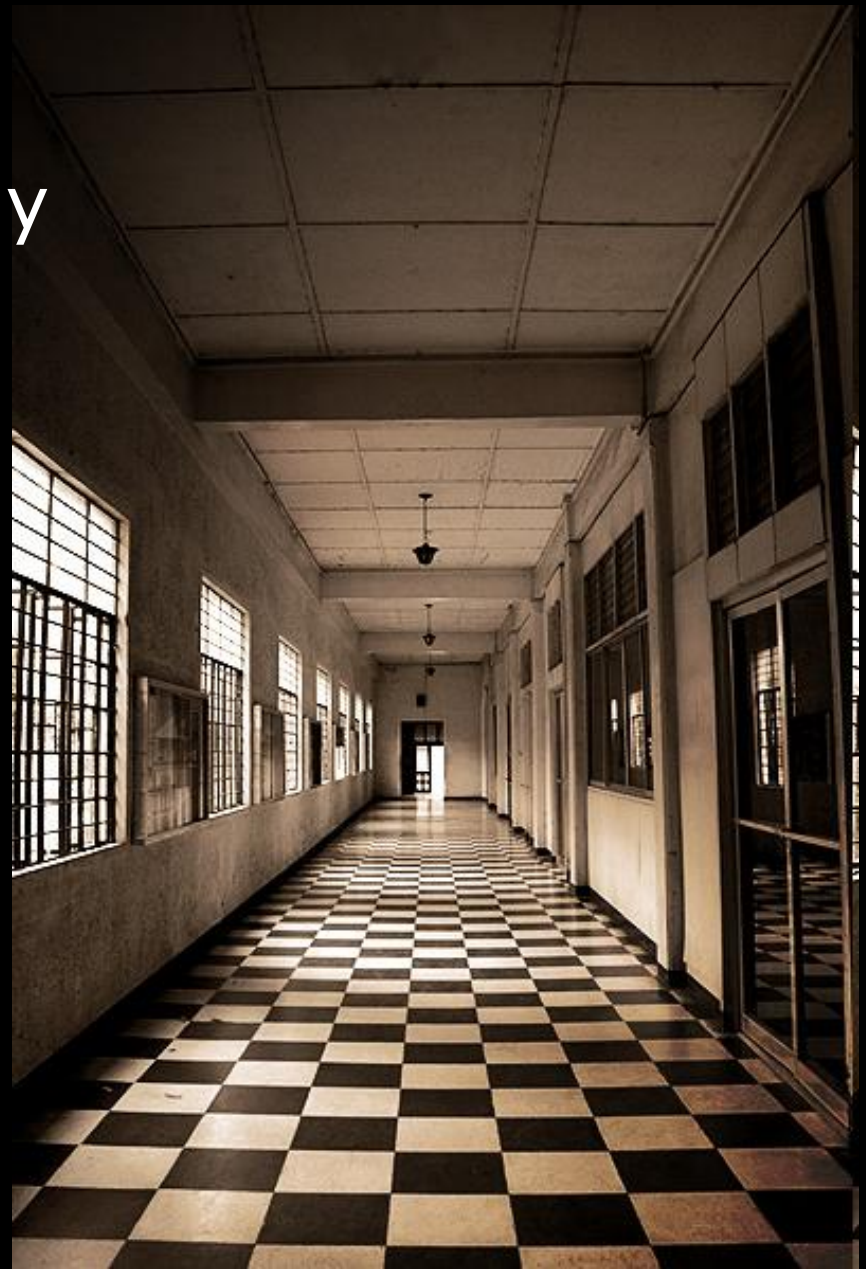

Maxell Lowell C. Aranilla, Ph.D.
Iloilo City
February 2013

NATURE OF MINOR SEMINARY

The Minor (High School) Seminary is a formative community that primarily aims at nurturing the seeds of vocation in the persons of the adolescents. It is where academic excellence is developed, adolescents' strengths are enhanced while weaknesses are addressed, community life is instilled, and service for others is inculcated.

AREAS OF FORMATION

FOCUS

Human

- Character Formation
- Enhancing adolescents' strengths while addressing weaknesses

Spiritual

- Development of Prayer Life

Socio-Pastoral

- Development of deep commitment to and competence for pastoral leadership and service
- Development of affective relationship with people

AREAS OF FORMATION

FOCUS

Academic

- Development of knowledge and skills necessary for major seminary studies
- Development of the capacity to intelligently deal with any state of life a minor seminarian he may eventually pursue.

Community Living

- Helping a minor seminarian appreciate his unique identity so that he may begin to accept and appreciate others for who they are.
- Development of the following attributes: service-orientation; cooperation; respect; brotherhood; simplicity; urbanity; and sportsmanship.
