 SUMMER FESTIVAL OF CATECHESIS
 AND CHRISTIAN FORMATION

To Make Jesus Known and Loved Today

...Are we not perhaps all afraid in some way? If we let Christ enter fully into our lives, if we open ourselves totally to Him, are we not afraid that He might take something away from us?

...No! If we let Christ into our lives, we lose nothing, nothing, absolutely nothing of what makes life free, beautiful and great. No! Only in this friendship do we experience beauty and liberation....When we give ourselves to Him, we receive a hundredfold in return. Yes, open, open wide the doors to Christ – and you will find true life...

... "Without Jesus, we do not know what 'Father' truly is. This becomes visible in His prayer, which is the foundation of His being. A Jesus Who was not continuously absorbed in the Father, and was not in continuous intimate communication with Him, would be a completely different being from the Jesus of the Bible, the real Jesus of history... In Jesus' prayer, the Father becomes visible and Jesus makes Himself known as the Son. The unity which this reveals is the Trinity. Accordingly, becoming a Christian means sharing in Jesus' prayer, entering into the model provided by His life, i.e. the model of prayer. Becoming a Christian means saying 'Father' with Jesus, and thus becoming a child, God's son--God--in the unity of the Spirit, Who allows us to be ourselves and precisely in this way draws us into the unity of God. Being a Christian means looking at the world from this central point, which gives us freedom, hope, decisiveness, and consolation..."

... "Friendship with Jesus Christ," on this intimate friendship, "everything depends. We are all called to open ourselves to this friendship with God... speaking to Him as to a friend, the only One who can make the world both good and happy... That is, all we have to do is put ourselves at His disposal... It is a message that helps to overcome what can be considered the great temptation of our time: the claim, that after the Big Bang, God withdrew from history." Our main purpose is "to help foster the growth of a living relationship" with Jesus Christ...

-His Holiness Pope Benedict XVI

...Jesus is not loved because He is not known, and thus our challenge is to make Him known and loved today...
