2010 CEAP National Convention Program

September 22-24, 2010

Venue: Waterfront Cebu City Hotel, Lahug, Cebu

Theme: **"A HEART for EDEN, A HAND at ECOLOGY"**

Objectives:

1. To provide an avenue for CEAP member-schools to share their best practices in:
 - a. integrating the concepts and principles of Education for Sustainable Development in all aspects (e.g., curricular and extra curricular programs, school administration and operations); and
 - b. implementing advocacy programs and campaigns on urgent environmental issues
2. To determine effective ways by which CEAP and member-schools can critically engage government, business and civil society in pursuit of a genuine national reform agenda for education, sustainable development and the protection, conservation and preservation of the country's environment and natural resources; and
3. To recommend measures for more efficient and effective advocacies and services to CEAP members and partners in the international, national and local communities.
