RE : CEAP Day Celebration (February 4, 2019)

Greetings of peace!

As part of our mission of promoting solidarity among CEAP member-schools through Catholic Education, the CEAP National Board has agreed during their 2016 strategic planning that CEAP Day is to be celebrated every first Monday of February. This is the third year of implementation of this celebration. In this regard, we would like to once again invite everyone to celebrate **CEAP Day** with us in your respective schools/dioceses on **February 4, 2019**.

Through this celebration of the CEAP Day, we hope to be able to:

- Create awareness among the school community regarding the school's membership in CEAP;
- Commemorate CEAP's founding anniversary (**February 2, 1941**); and
- Celebrate more than 75 years of CEAP as the biggest educational association committed to Transformative, Catholic Education in the Philippines.

You are free to celebrate this day as you see fit. Some options for the celebration are:

1. Having a Thanksgiving Eucharistic Celebration
2. Singing of the CEAP Hymn during the Flag Ceremony (CEAP Hymn link: <https://youtu.be/-Rb4KPhBc6Q>)
3. Giving a brief history of the CEAP and its contribution to education (include the year your school joined CEAP and how you have collaborated in the CEAP mission). You may check out this link: <https://www.ceap.org.ph/history.aspx>
4. Presenting some of our organization's programs (including the JEEPGY Programs for Transformative Education) (JEEPGY Video link: <https://youtu.be/eTTldn22zkA>)

Please email a short write-up with photos to [info@ceap.org.ph](mailto:info@ceap.org.ph), use #CEAPDay2019 or tag the CEAP Facebook Page in your social media documentation, so that we can properly feature your participation. (CEAP FB link: <https://www.facebook.com/CatholicEdPH>)

Have a meaningful celebration of the CEAP Day!

Sincerely,
